Call for Papers

The 34th International Conference on Software, Telecommunications and Computer Networks (*SoftCOM 2026*) is co-organized by the University of Split, FESB and Croatian Communications and Information Society (CCIS). The conference will be held on September 17 - 19, 2026 in Split, Croatia.

Authors are invited to submit their high-quality papers representing original results in all areas of communications software, services and applications, telecommunications and computer networks. Accepted and presented papers will be published in the conference proceedings. Authors of the selected best papers will be invited to submit a revised and extended version of their manuscripts for possible publication in the [Journal of Communications Software and Systems \(JCOMSS\)](https://jcoms.fesb.unist.hr/).
