17-19 September 2026 // Split, Croatia

Symposium on:

Information Security and Intellectual Property

10th ISIP 2026

Symposium co-Chairs: *Marija Boban, University of Split, Croatia*
Gordan Ježić, University of Zagreb, Croatia

Call for Papers

Symposium on "Information Security and Intellectual Property (ISIP)" will be held on September 17 - 19, 2026 in Split, Croatia in the frame of the 34th International Conference on Software, Telecommunications and Computer Networks (SoftCOM 2026), which is technically co-sponsored by the IEEE Communications Society (ComSoc). The conference call of 10th ISIP 2026 is an invitation to authors to submit their high-quality papers representing original results from social and technical sciences combining knowledge from information sciences, law, economics, technical sciences and geopolitics.
Accepted and presented papers will be published in the symposium proceedings. The papers with original contribution in the technical field will be published in the conference proceedings and submitted to IEEE Xplore, as well as, other Abstracting and Indexing (A&I) databases. Authors of selected papers with the original contribution in the technical field will be invited to submit an extended version of their manuscripts for publication in a special issue of the Journal of Communications Software and Systems (JCOMSS).
